on Athletic skills including

running and jumping.

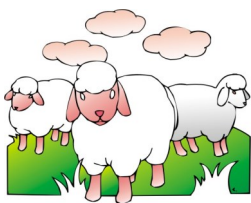

If you would like further information about the curriculum or are interested in attending any courses to improve your own skills in order to help your child please see **MRS WOOD** More detailed information can be found at
<https://www.gov.uk/government/publications/national-curriculum-in-england-primary-curriculum>

**Year 3
Curriculum
Summer 1**

English

This term we will be reading different books by the author Dick King Smith, who wrote many stories about animals. We will also be writing newspaper reports about a local issue.

Mathematics

Count from 0 in multiples of 4, 8, 50 and 100.

Recall and use multiplication and division facts for the 3, 4 and 8 times tables, Solve addition, subtraction, multiplication and division problems using number facts, place value.

Measure, compare, add and subtract: lengths (m/cm/mm), mass (kg/g), volume/capacity (l/ml).

Add and subtract money to give change using both £ and pence.

Recognise and describe 3d shapes in different orientations.

Identify 2D shapes and the angles within them.

Science

The Science for this term is Dinosaur Bones.

We will be looking at materials and how dinosaur bones are made into fossils.

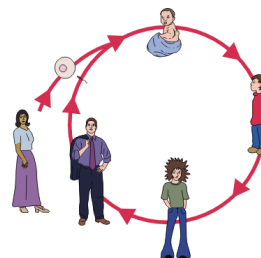

RE and PSCH

The RE for this term is "What makes me the person I am?" What makes us unique? We will look at who we are and who or what influences us in the choices we make.

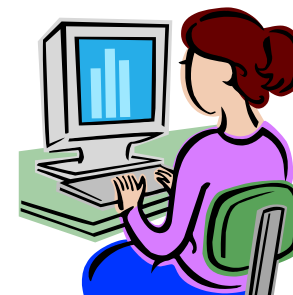

Relationships is the theme for this term and the children will learn how to form and mend different relationships with their friends and family.

We will also look at the life cycle of a human and how we have changed since we started school.

ICT

In ICT we will be starting a new unit 3.2 "We are Bug Finders."

Art / DT

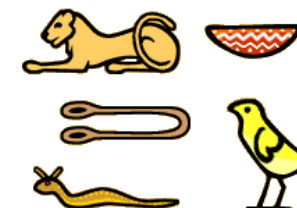

In Art we will be

exploring

printing and

pattern making.
