

Geography

In Geography we will be looking at Settlements and the reasons why towns and cities developed and grew where they did.

Music

We will be continuing with singing and learning how to play the Ukulele by a specialist music teacher.

PE

We will be learning gymnastics and athletics.

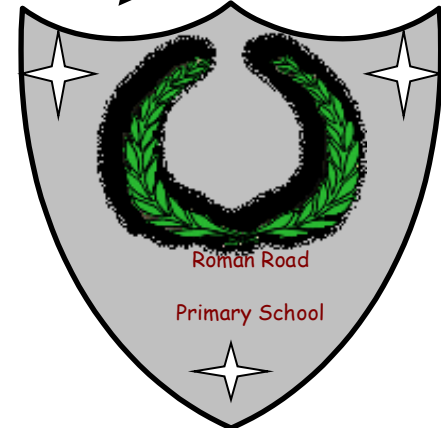

French

We will be learning French in line with the National Curriculum. The focus is on Numbers, colours and animals.

If you would like further information about the curriculum or need support in order to help your child please make an appointment to see MRS WOOD. More detailed information can be found at <https://www.gov.uk/government/publications/national-curriculum-in-england-primary-curriculum>

Roman Road Primary School

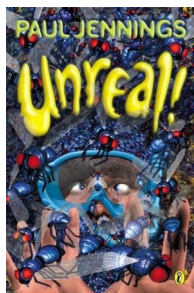

In Pursuit of Excellence

Year 4
Curriculum
Autumn 2

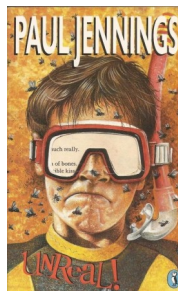

English

This term we will be practising for our Class Assemblies—More details to follow.

We will then be studying and comparing books by the author Paul

Jennings, looking at the characters, plot and structure in order to write our own stories.

Mathematics

This term we will learn written and mental strategies for multiplication and division as well as solve problems. We will learn how to measure length and find the perimeter.
